(*1) For participating providers, percentage co-payments represent a percentage of actual cost, or, if the plan pays the provider a per-member-per-month rate, an equivalent cost. Percentage co-payments for services provided by non-participating providers are a percentage of usual, customary or reasonable rates, negotiated costs, or billed charges, as determined by the plan. (Please consult the Evidence of Coverage). In a PPO, enrollees are also responsible for any excess amount billed by a non-participating provider.

(2)** Health Plans in California are required by law to provide certain mental health services according to the same terms and conditions as other similar medical benefits. Please contact the individual plan for further information regarding the conditions subject to mental health parity.

(*3)** Hospice benefits are available through the plan. Please consult plan's Evidence of Coverage.
